To the Members of ARK Infosolutions Private Limited

Report on the Audit of the Standalone Financial Statements

Opinion

We have audited the financial statements of **ARK Infosolutions Private Limited** ("the Company"), which comprise the balance sheet as at **31st March 2023**, and the statement of Profit and Loss and statement of cash flows for the year then ended, and notes to the financial statements, including a summary of significant accounting policies and other explanatory information.

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid financial statements give the information required by the Companies Act, 2013 ("the Act") in the manner so required and give a true and fair view in conformity with the Accounting Standards prescribed under section 133 of the Act read with Rule 7 of the Companies (Accounts) Rules, 2014 and other accounting principles generally accepted in India, of the state of affairs of the Company as at **March 31, 2023**, its **profit** and its cash flows for the year ended on that date.

Basis for Opinion

We conducted our audit in accordance with the Standards on Auditing (SAs) specified under section 143(10) of the Companies Act, 2013. Our responsibilities under those Standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are independent of the Company in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India together with the ethical requirements that are relevant to our audit of the financial statements under the provisions of the Companies Act, 2013 and the Rules thereunder, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the ICAI's Code of Ethics. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion on the financial statements.

Information other than the financial statements and auditors' report thereon

The Company's board of directors is responsible for the preparation of the other information. The other information comprises the information included in the Board's Report including Annexures to Board's Report but does not include the financial statements and our auditor's report thereon.

Our opinion on the financial statements does not cover the other information and we do not express any form of assurance conclusion thereon.

In connection with our audit of the financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the financial statements or our knowledge obtained during the course of our audit or otherwise appears to be materially misstated.

If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact. We have nothing to report in this regard.

Responsibilities of Management and Those Charged with Governance for the Standalone Financial Statements

The Company's Board of Directors is responsible for the matters stated in section 134(5) of the Companies Act, 2013 ("the Act") with respect to the preparation of these financial statements that give a true and fair view of the financial position, financial performance and cash flows of the Company in accordance with the accounting principles generally accepted in India, including the accounting Standards specified under section 133 of the Act, read with Rule 7 of the Companies (Accounts) Rules, 2014. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding of the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.

Those Board of Directors are also responsible for overseeing the Company's financial reporting process.

Auditor's Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under section 143(3)(i) of the Companies Act, 2013, we are also responsible for expressing our opinion on whether the company has adequate internal financial controls system in place and the operating effectiveness of such controls.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the financial statements, including the disclosures, and whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

Materiality is the magnitude of misstatements in the standalone financial statements that, individually or in aggregate, makes it probable that the economic decisions of a reasonably knowledgeable user of the standalone financial statements may be influenced. We consider quantitative materiality and qualitative factors in (i) planning the scope of our audit work and in evaluating the results of our work; and (ii) to evaluate the effect of any identified misstatements in the standalone financial statements.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

Report on Other Legal and Regulatory Requirements

1. As required by the Companies (Auditor's Report) Order, 2020 ("the Order"), issued by the Central Government of India in terms of sub-section (11) of section 143 of the Companies Act, 2013, we give in the '**Annexure 1**', a statement on the matters specified in paragraphs 3 and 4 of the Order, to the extent applicable.

ANNEXURE 2 TO THE INDEPENDENT AUDITOR'S REPORT

[Referred to in paragraph (2)f under "Report on Other Legal & Regulatory Requirements" in our Independent Auditor's Report of even date, to the members of the **ARK Infosolutions Private Limited** ('the Company') on the standalone financial statements for the year ended **31st March, 2023**]

Report on the Internal Financial Controls over Financial Reporting under Clause (i) of Sub-section of Section 143 of the Companies Act, 2013 ("the Act")

We have audited the internal financial controls over financial reporting of **ARK Infosolutions Private Limited** ("the Company") as of **31 March 2023** in conjunction with our audit of financial statements of the Company for the year ended on that date.

Management's Responsibility for Internal Financial Controls

The Company's management is responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls over Financial Reporting issued by the Institute of Chartered Accountants of India ('ICAI'). These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013.

Auditors' Responsibility

Our responsibility is to express an opinion on the Company's internal financial controls over financial reporting based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls over Financial Reporting (the "Guidance Note") and the Standards on Auditing, issued by ICAI and deemed to be prescribed under section 143(10) of the Companies Act, 2013, to the extent applicable to an audit of internal financial controls, both applicable to an audit of Internal Financial Controls and, both issued by the Institute of Chartered Accountants of India. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company's internal financial controls system over financial reporting.

Meaning of Internal Financial Controls over Financial Reporting

A company's internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A company's internal financial control over financial reporting includes those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorisations of management and directors of the company; and (3) provide reasonable assurance regarding prevention or timely detection of

Inherent Limitations of Internal Financial Controls over Financial Reporting

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Opinion

In our opinion, the Company has, in all material respects, an adequate internal financial controls system over financial reporting and such internal financial controls over financial reporting were operating effectively as at **31 March 2023**, based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India.

Note 27 : Significant Accounting Policies and Practices**1 Basis of Preparation**

The financial statements are prepared in accordance with Indian Generally Accepted Accounting Principles (GAAP) under the historical cost convention, on accrual basis. GAAP comprises mandatory accounting standards as prescribed under Section 133 of Companies Act, 2013 ('Act') read with Rule 7 of the Companies (Accounts) Rule, 2014, the provision of the Act (to the extent notified). The accounting policies, except stated otherwise, have been consistently applied by the company. The Financial statements are in Indian Rupees presented in lacs.

2 Recognition of Income and Expenditure:

- (i) Revenues / Incomes and Costs / Expenditure are generally accounted on accrual, as they are earned or incurred.
- (ii) Sale of goods is recognized on transfer of risk and rewards of ownership, which is generally on the dispatch of goods.
- (iii) Subscription revenue is recognized ratably over the term of the subscription. The term of our subscription is typically between one to three years.

3 Use of Estimates:

The preparation of financial statements in conformity with generally accepted accounting principles required estimates and assumptions to be made that affect the reported amounts of assets and liabilities on the date of the financial statements and the reported amounts of revenues and expenses during the reporting period. Differences between actual results and estimates are recognized in the period in which the results are known / materialized.

4 Property, Plant and Equipment:

Property, Plant and Equipments are recorded at cost of acquisition less accumulated depreciation and impairment losses, if any. Costs include cost of acquisition or constructions including incidental expenses thereto and other attributable costs of bringing to its working condition for its intended use.

Depreciation on fixed assets is provided on "Written down Value Method" in accordance with useful life prescribed in schedule II of the Companies Act, 2013. In case of assets acquired prior to 1st April 2014 carrying value of the assets (Net of residual value) is depreciated over the remaining useful life as determined effective 1st April 2014.

5 Value of Inventories:

Inventories are valued at cost or market value whichever is lower. The Cost formula applied for inventories is determined on weighted average basis.

6 Foreign currency transactions

Transaction denominated in foreign currency are recorded at exchange rate prevailing at the time of transaction. Monetary item denominated in foreign currency at the year end translated at exchange rates prevailing at Balance Sheet date. Premium in respect of forward contract is accounted over the period of contract. Exchange differences arising on settlement / translation of monetary items including forward contract are dealt in the statement of Profit & Loss account.

7 Employee Benefits**A: Defined Contribution Plan:-**

- (i) Provident Fund -- Contribution to the Provident Fund as per provisions of Employees Provident Fund Act 1952 is remitted to the PF Commissioner. Employer's Contribution to the Provident Fund is charged to the Profit & Loss Account.
- (ii) ESI- Contribution to state plan viz. Employee's State Insurance Scheme is charged to the profit and loss account.

B: Defined Benefit Plan:-

The company's liability under payment of Gratuity Act is determined on the basis of actuarial valuation made at the end of the financial year using the projected unit credit method. Actuarial gain and losses are recognized immediately in the profit and loss account as Income / expenses. Obligation is measured at the present value of estimated cash flow using a discounted rate that is determined by reference to market yield at the balance sheet date on Government Bonds.

C: Short term Employee Benefits:-

Leave Encashment benefits are provided on the basis of calculation made by the Company based on the basic salary of the Employees and charged to the profit and loss account.

Note 27 : Significant Accounting Policies and Practices

8 Borrowing Costs

Borrowing costs charged to the Profit and Loss Account include interest and bank charges on bank borrowings and short and long term borrowings.

9 Segment Reporting

The Company is engaged mainly in the business of marketing and distribution of Software, Hardware & Services. Since all the activities of the Company are related to the main activity and Geographical Segments are more or less uniform in terms of risk and economic considerations, there are no reportable segments as per AS 17 on Segment Reporting.

10 Earnings Per Share

Earnings per Share (EPS) are computed on the basis of net profit after tax for the year. The number of shares used in computing basic EPS is weighted average number of shares outstanding during the year. The diluted EPS is calculated on the same basis as basic EPS, since there are no dilutive equity shares.

11 Provisions and Contingent Liability

The Company creates a provision when there is present obligation as a result of past event that probably requires an outflow of resources and reliable estimate can be made of the amount of obligation. A disclosure for a contingent liability is made when there is a possible obligation or a present obligation that probably will not require an outflow or resources or where a reliable estimate of the obligation cannot be made.

12 Cash Flow Statement

Cash flows are reported using the indirect method, whereby net profit before tax is adjusted for the effects of transactions of non-cash nature. The cash flows from operating, investing and financing activities of the Company are segregated.

13 Impairment of Assets

The carrying amounts of assets are reviewed at each Balance Sheet date if there is any indication of impairment based on Internal / External factors. An asset is impaired when the carrying amount of the asset exceeds the recoverable amount. An impairment loss is charged to the profit & loss account in the year in which an asset is identified as impaired. An impairment loss recognized in prior accounting period is reversed if there has been change in the estimate of the recoverable amount.

14 Other income is recognized on accrual basis

15 Previous Year figures have been regrouped / rearranged, where ever necessary.
